The Warehouse Red Shirts in Schools

OPEN THE DOOR TO A CAREER IN RETAIL!

Retail is an exciting career choice with loads of possibilities – from helping customers, product displays, marketing, running a store, to management at head office.

Warehouse Red Shirts in Schools is a Gateway Programme that gives students a chance to get valuable work experience in retail and help make the move from school into a career.

Students will gain credits that can be used towards a nationally recognised New Zealand Certificate in Retail. They'll be supported all the way and learn important skills in line with industry standards including: effective communication; personal presentation; product knowledge and teamwork.

How it works

Students will receive a placement with The Warehouse and will be fully supported by a dedicated Schools Transitions Advisor who works with store management to make sure they get an all-round understanding of the world of retail. Students will be supplied with customised learning resources, clear development plans and support from the Schools Transitions Advisor who will keep their school up to date. Students' work will be assessed by ServiceIQ.
