ServiceIQ reserves the right to limit entries to any class and/or event based on venue limitations. We recommend that schools spread their entries across different classes to avoid over-subscribing any particular class. Students wanting to enter more than one class need to record this.

**Please send competed form to [schools@serviceiq.org.nz](mailto:schools@serviceiq.org.nz) – Subject line:** BOTP Student Entry Form – [Please fill out your school name here]
