Parental consent

I agree to my child taking part in this event and have read the Activity Summary including the section on images/video. I agree to their participation in this event. I acknowledge the need for them to behave responsibly and participate accordingly in the programme. I agree that should my child's behaviour not be maintained at the required standard, that the Gateway Camp (the provider) is entitled to remove them from the programme and return them to my care.

Acknowledgement of risk

I have read the Activity Summary and I understand that there are some risks associated with involvement in these activities and that these risks cannot be completely eliminated. I understand that the provider will identify any foreseeable risks or hazards and implement correct management procedures to eliminate, isolate, or minimise those hazards.

I know that I am able to ask any questions of the provider about the activities my child will be involved in, to gain a better understanding of the risks involved. I recognise that participation in such activities is voluntary and not mandatory. My child and I both understand that I/they may withdraw from the activity if I/they feel at risk. This must be done in consultation with the activity leader.

I understand that the provider does not accept responsibility for loss or damage to personal property and that it is my responsibility to check my own insurance policy.
